OFFICE OF The Honorary Surgeon & Director of Hospitals in Bangalore.

Date 28 December 1948.

To

The Secretary to Government of His Highness The Maharaja of Mysore, Food & Civil Supplies Department, Bangalore.

Sir,

Subject:- Grant of Allowance to Specialists

1) Adverting to Government Order No.M 9614-16/M 23-48-28 dated 4th December 1948 sanctioning among other things an allowance of Rs.150/- per mensem to Sri M.V.Govindaswamy, M.A. B.Sc., M.B.B.S., D.P.H., Superintendent, Mental Hospital, I have the honour to state that this officer has submitted a representation praying that he may be granted an allowance of Rs.200/- per month as in the case of the allowances sanctioned to ~~the~~ Surgeons.

2) In enclosing herewith a copy of his letter No.T.1069 dated 16-12-48 which is self explanatory, I recommend that Government be pleased to sanction the request of Sri M.V. Govindaswamy.

Yours faithfully,

J. Subbachar

HON. SURGEON & DIRECTOR

fxl.

Copy of letter No.T.1069 dated 16-12-48 from the Superintendent Mental Hospital addressed to the Honorary Surgeon & Director of Hospitals in Bangalore.

I beg to convey my most respectful and grateful thanks to the Government for graciously sanctioning me a specialist allowance of Rs.150/- per month as kindly conveyed in your office No.GC 189-1 dated 10th December 1948. But Sir, I feel somewhat distressed that I should have been classed as a second class specialist. I submit for consideration -

1) that all the seventeen years of my service have been spent in the speciality of mental diseases.

2) that whereas the other officers graded as specialists had well developed institutions to work in, I had none.

3) that the present Mental Hospital, of which I have been permitted to be in charge was planned and developed by me, and brought up to the reputation it possesses now. In the circumstances I feel that I might claim with some justification to be classed as a first class specialist.

**

It is possible however that the special allowance of Rs.200/- has been granted to four officers, because they are Surgeons, and Rs.150/- granted to me only because I am an Assistant Surgeon. If this be the case, I submit that there are two vacancies in the Surgeon's cadre to one of which I am entitled by seniority.

I most respectfully pray that the Director be pleased to recommend to the Government that early orders be passed appointing me a surgeon in the existing vacancy, and sanctioning the allowance of Rs.200/- per month . This will help restore my sense of self respect.

According to Article 267(a) of M.S.R. Resignation of the public Service entails forfeiture of past service.

Sri M. Rangaswami, Asst Surgeon who was placed under suspension with effect from 4.11.1946, in connection with certain irregularities in the Medical Stores has since been ordered to be granted all the leave he was entitled to on 4.11.1946 and retired from service at the end of such leave (vide G.O. No. G" 7379-80/ CB 364-48-1 dated 10th March 1949) The question of his promotion as Surgeon does not therefore arise. The Audit office is also of the same opinion.

6.4.49

Another officer who gets promotion as Surgeons in one of the existing vacancies is Sri B.N. Balakrishna Rao. He tendered resignation to this appointment in the Medical Dept and the same was accepted with effect from 29.10.1948. According to Art 267(a) of M.S.R. resignation of the public service entails forfeiture of past service In view

of this, it is doubtful if the officer can claim promotions that accrued to them prior to resignation. The Secretary may also be consulted on this point.

23) The 4 remaining officers who are now proposed to be promoted to the Surgeons' cadre are in the order of seniority and their promotions may perhaps be approved.

24) As there is the question of confirmation of two officers as Surgeons, it becomes a Council matter. Orders are, therefore, solicited if the question has to be disposed of by circulation or considered at a meeting of Council.

CONFIDENTIAL
Ex.

ORDER NO.7379-80/C.B.364-48-1,

Dated, Bangalore, the 10th March 1949.

In May 1946, a petition was received by the Chairman of the Anti-Corruption Committee, making certain allegations about the quality of the supplies made to the Government Medical Stores, Bangalore. While this was being enquired into, the Audit Office discovered certain irregularities in the presentation of bills and acceptance for payment in respect of supplies made to the Medical Stores. The Deputy Commissioner, Bangalore, was requested to immediately inspect the Medical Stores, Bangalore, with the assistance of the Special Officer, Efficiency Audit, and in particular investigate into certain specific complaints brought to notice.

The report of the Deputy Commissioner disclosed certain serious irregularities and suspicious circumstances in the transactions of the Stores, such as, failure to maintain Stock books satisfactorily and up to date and acceptance of inferior and cheaper articles against those indented for. Sri N Rangaswamy, Assistant Surgeon, doing duty as Superintendent of Stores and the Stock Holder, Sri T.C.Giriswaran were immediately placed under suspension from 4th November 1946 and Sri H.N.Srinivasaya, Assistant Commissioner, was specially posted as Superintendent of the Medical Stores, with instructions to conduct a regular stock-taking examination, and submit a final report on all aspects of the case. The Special Officer, Efficiency Audit, was asked to investigate and report on the complaints received regarding the acceptance by Sri Rangaswamy on behalf of the Stores, of inferior and spurious supplies of drugs and medical articles in certain instances

On the basis of the reports of the Deputy Commissioner, Bangalore District, the Special Officer, Efficiency Audit and Sri H.N. Srinivasaiya, charges were framed against the following Officers

(Contd.)

and their explanation obtained:-

(1) Sri M.Ranganswamy, Asst.Surgeon, doing duty as Superintendent of Medical Stores;

(2) Sri P.S.Sirisvaran, Stock-holder;

(3) The Ledger Clerk;

(4) The Compounder;

(5) The Secretary, Stores Purchase Committee (Sri T.S.Raghavendracher)

~~[illegible]~~

The explanation of the Senior Surgeon has been obtained in regard to want of supervision and control

The following are the more important among other charges framed against Sri Ranganswamy:-

(a) Discrepancy between the actual stock and the book balances of several articles at the time of the stock-taking;

(b) Failure to make systematic stock-taking of the Stores during the period he was in charge of it;

(c) Acceptance of Methine Tubes containing a lesser number of tablets than were ordered for, and payment for such supplies as though they were of original number;

(d) Acceptance of cheap, inferior, spurious, and adulterated articles as against the genuine and well-known brands of articles ordered for and also of certain articles which appeared to belong to the Army Stores;

(e) Over-payment on certain bills.

Regarding the Secretary, Stores Purchase Committee, the following are the points on which his explanation was called for:-

(1) placing orders with certain firms for supply of cloth at rates higher than had been quoted for by them earlier, and as were prevailing at the time, without obtaining the President's approval;

(2) In the case of orders relating to drugs and medicines, failure to specify the most essential particulars, such as Makes and quality even though they were mentioned by the Superintendent, Medical Stores, and

Next

(3) Acceptance of supplies of Sulphuric Acid from Messrs.Lakshmi and Co. when they had no permit to sell the drug.

Government consider that the explanations of the Superintendent, Medical Stores, are not convincing and he was indifferent and negligent in the discharge of his duties, the omissions on the part of the Secretary, Stores Purchase Committe. have resulted in considerable loss of money to Government.

The explanation of Sri Giriswaran, Stock-holder for non-maintenance of Ledger and Accounts in a satisfactory or up to date manner, is of a halting nature. The Ledger clerk has merely pleaded heavy work and domestic worries.

Government are constrained to observe that the ultimate Head of the Department, viz., the Senior Surgeon, is not entirely free from blame. hese irregularities would not have happened and could have been ~~happened~~ avoided if the Senior Surgeon had exercised proper supervision over the stores as they contained medical equipment to the tune of about eight lakhs of rupees, and drugs on the purity and genuineness of which depended the lives of so many patients.

After an examination of all aspects of the case, Government direct as follows:-

(1) that Sri M. Sangaraiah, Superintendent, Medical Stores, and Sri T.S.Giriswaran, Stock-holder, who have been placed under suspension from 4th November 1946 be granted all the leave they were entitled to on 4th November 1946 and be retired from service at the end of such leave, that the ledger clerk be granted all leave he is entitled to on the date of this order and be retired at the end of such leave;and

(2) that Sri D.C.Raghavendra Char, Assistant Commissioner, doing duty as Secretary, Stores Purchase Committee, be administered a warning and that his increment which fell due on 17.11.46, be with-held for a period of one year and he be transferred from his present charge.

Sri V.V.Monteiro, Senior Surgeon, is permitted to retire from service immediately, and as a special case, he is permitted to avail himself of all the leave he is entitled to upto the date of his superannuation, viz. 14th May 1950. Of the total period of leave thus allowed, three months will be privilege leave, seven months furlough on full average salary and the rest furlough on half average salary.
